

Lakeland is a leading provider and installer of indoor and weatherproof outdoor security cameras and camera systems. Our cameras are custom-built and come in both dome and bullet camera models. They include all the great features you need to keep your business safe and secure. Call for pricing.

UNIVIEW - IP SPEED DOME CAMERAS

IPC6222ER-X30

UNIVIEW Network 6" IR speed dome camera, 30x optical zoom (4.5-135mm), 1/2.8" 2 Megapixel progressive scan CMOS, 30fps@1080P, Array IR LEDs (up to 328 feet), support 64GB Micro SD memory card, support Audio Input/Output, support Alarm Input/Output, AC 24V, IP66.

IPC6242SL-X22

UNIVIEW Network 6" Laser IR speed dome camera, 22x optical zoom (4.7-103mm), 1/2.8" 2 Megapixel progressive scan CMOS, 30fps@1080P, Combined Array IR LEDs and Laser IR (up to 1640 feet), support 64GB Micro SD memory card, support Audio Input/Output, support Alarm Input/Output, AC 24V, IP66.

SD42212S-HN

Network Mini speed dome camera, 12x optical zoom, 1/3" Exmor CMOS, 30fps@2M(1920x1080), support 64GB Micro SD memory card, AC 24V, IP66

UNIVIEW - IP CAMERAS

IPC2122SR3-PF36
UNIVIEW Network fixed lens water-resistant IR bullet camera, 1/2.8" 2 Megapixel progressive scan CMOS, max 30fps@2.0M(1980x1080), 3.6mm lens, Matrix IR LEDs (up to 98 feet, configurable Smart IR feature), support Corridor View, DC 12V, PoE (up to 6.4W), IP66.

IPC242E-IR-Z-IN
UNIVIEW Network vari-focal water-resistant IR bullet camera, 1/2.8" 2 Megapixel progressive scan CMOS, max 30fps@2.0M(1980x1080), 3-10.5mm Motorized lens, IR Array LEDs (up to 98 feet, configurable Smart IR feature), support Corridor View, support Micro SD card up to 64GB, support Audio Input/Output, support Alarm Input/Output, DC12V/AC24V Dual Voltage, PoE (up to 11W), IP66.

IPC3612ER3-PF28
UNIVIEW Network fixed lens water-resistant IR turret dome camera, 1/2.8" 2 Megapixel progressive scan CMOS, max 30fps@2.0M(1980x1080), 2.8mm lens, Matrix IR LEDs (up to 98 feet, configurable Smart IR feature), support Corridor View, DC 12V, PoE (up to 5.5W), IP66.

IPC3232ER-VS
UNIVIEW Network vari-focal vandal-proof IR dome camera, 1/2.9" 2 Megapixel progressive scan CMOS, max 30fps@2.0M(1980x1080), 2.8-12mm lens, IR Array LEDs (up to 98 feet, configurable Smart IR feature), support Corridor View, support Micro SD card up to 64GB, DC 12V, PoE (up to 7.2W), IK10, IP66.

HD-CVI 1080P (EYENIX) CAMERAS

DH-IBF-680W
HD-CVI fixed lens water-resistant IR bullet camera, 1/2.8" 2.4 Megapixel SONY CMOS, 30fps@1080P, 3.6mm lens, 36 IR LEDs, metal housing, IP66, DC 12V. 900ft long distance real-time video/OSD control over coax. Separate BNC ports for analog and HDCVI output.

DH-IDF-480B
HD-CVI fixed lens water-resistant IR turret dome camera, 1/2.8" 2.4 Megapixel SONY CMOS, 30fps@1080P, 3.6mm lens, 24 IR LEDs, metal housing, IP66, DC 12V. 900ft long distance real-time video/OSD control over coax. Separate BNC ports for analog and HDCVI output.

UNIVIEW - VIDEO RECORDERS

NVR201-08LP
UNIVIEW Smart 1U chassis NVR, 8 channels@1080P realtime live view/recording, 8 PoE port plug and play, H.264 dual-stream video compression, Bandwidth: 64Mbps (Live/Recording) / 64Mbps (Web Transfer), HDMI/VGA simultaneous video output, support two way audio, USB 2.0 & 1 USB3.0

NVR208-32
UNIVIEW 2U chassis, 32 channels@1080P realtime live view/recording, H.264 dual-stream video compression, Bandwidth: 128Mbps (Live/Recording) / 96Mbps (Web Transfer), HDMI/VGA simultaneous video output, support two way audio, support dual NIC.
